

## *plant\_3d\_deep\_learning* Terms of Use

Before we are able to offer you access to the materials in *plant\_3d\_deep\_learning* github repository ([https://github.com/UGA-BSAIL/plant\\_3d\\_deep\\_learning](https://github.com/UGA-BSAIL/plant_3d_deep_learning)), please agree to the following terms of use.

In exchange for being able to use materials in *plant\_3d\_deep\_learning* github repository ([https://github.com/UGA-BSAIL/plant\\_3d\\_deep\\_learning](https://github.com/UGA-BSAIL/plant_3d_deep_learning)), Researcher hereby agrees to the following terms and conditions:

1. Researcher shall use materials in this repository only for non-commercial research and educational purposes.
2. Researcher shall use materials in this repository only for agricultural and biomedical domains.
2. Authors of this repository make no representations or warranties regarding the materials in this repository, including but not limited to warranties of non-infringement or fitness for a particular purpose.
3. Researcher accepts full responsibility for his or her use of the materials in this repository and shall defend and indemnify authors of the repository, against any and all claims arising from Researcher's use of the repository, including but not limited to Researcher's use of any copies of copyrighted 3D models that he or she may create from the repository.
4. Researcher may provide research associates and colleagues with access to materials in this repository provided that they first agree to be bound by these terms and conditions.
5. Authors of this repository reserve the right to terminate Researcher's access to the materials in this repository at any time.
6. If Researcher is employed by a for-profit, commercial entity, Researcher's employer shall also be bound by these terms and conditions, and Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
7. All derived works from this shall also be released under the same terms and conditions as this.
8. The relevant law of the State shall apply to all disputes under this agreement.
